Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory.

This directory is updated monthly and upon receipt of any new provider information, it will be updated no later than 30 days after the information is received.

Brochures are available that describe the mental health and substance use disorder services available through San Benito County Behavioral Health. Ask our staff if you need a brochure about a specific program or if you have any questions about our services.

Medi-Cal mental health beneficiaries and DMC-ODS beneficiaries receive Handbooks about our Medi-Cal programs when they start getting services. If you

are a Medi-Cal beneficiary and you need a Handbook, please ask our staff for a copy.
