

COUNTY OF SAN BENITO

PRESS RELEASE
FOR IMMEDIATE RELEASE

May 6, 2026

TRAFFIC ADVISORY: US 101 / SR 25 Interchange Project

SAN BENITO COUNTY, CA - The County of San Benito, on behalf of the Santa Clara Valley Transportation Authority (VTA), is advising motorists of upcoming construction activity and an overnight lane closure associated with the US 101/SR 25 Interchange Project.

May 5 – May 15, 2026

Motorists traveling through the US 101 and SR 25 interchange area should be aware of upcoming construction activities and a scheduled nighttime lane closure.

Lane Closure Alert– Northbound US 101 #1 Lane (the far-left-lane)

- **Northbound US 101 Lane #1 (the far-left lane) will be CLOSED** on the night of **Monday, May 11, between 10:00 PM and 5:00 AM**, while crews perform overnight concrete work on the retaining wall.

What to expect:

- Reduced lanes and possible delays
- Construction equipment and crews working close to traffic
- Use caution and follow posted signage

Ongoing Construction Activities (May 5–15)

Drivers may see crews working throughout the corridor, including:

- Bridge construction for the new connector ramps
- Retaining wall construction near US 101
- Drainage and utility installation
- Roadway grading and base work

Most work will occur during daytime hours, with occasional nighttime operations.

Travel Tips

- Allow extra travel time, especially at night
- Slow down in work zones
- Be alert for lane shifts and construction crews
- Consider alternate routes if traveling during nighttime work hours

Stay Informed
